The

19 LION'S DIN 49

Foreword

In this, our first issue of The Lion's Din, we wish to present to the readers a true account of various phases of life here at Lafayette High School. We members of the staff feel that this is merely the beginning of a highly successful yearly publication; that through experience and effort, The Lion's Din will be continually improved, and will be an excellent source of information as we look back to our weeks, months, and years at L. H. S.

Dedication

Remembering the mistakes of the past and mindful of the progress of the future, you of the Senior Class of 1949 are facing a changing world. You will have the task of finding the pathway to an everlasting peace. With sincerest faith that you will succeed in everything you undertake we dedicate this, the first volume of the "LION'S DIN", to you.

Compliments of

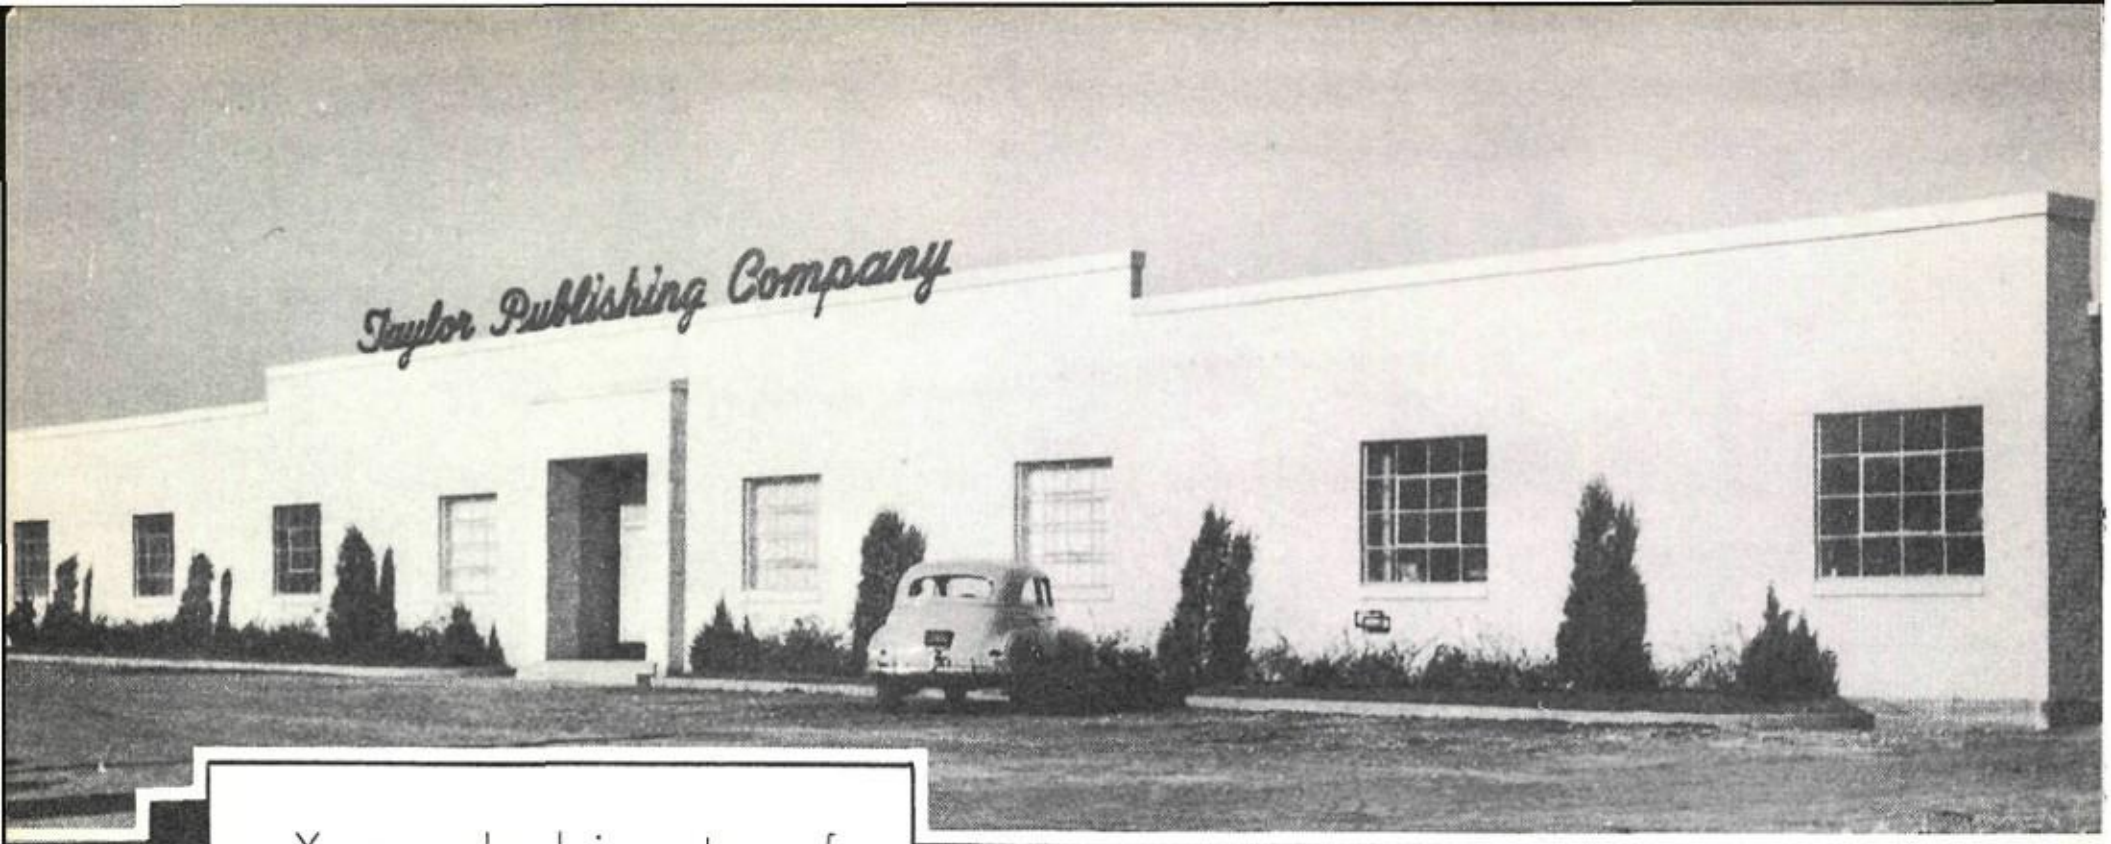
A Friend



Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are proud of the part we have had in preserving "treasured memories" in 1949 Annuals for more than 1100 Colleges and High Schools in seventeen States.
